

## **ENG. RICHARD MATSIKO APPOINTED CHIEF EXECUTIVE OFFICER, UETCL.**

The UETCL Board of Directors has confirmed Eng. Richard Matsiko as the Chief Executive Officer, UETCL with immediate effect.

Eng. Matsiko is well respected in the Electricity Supply Industry with a rich background. He started his career as a Trainee Electrical Engineer at Uganda Electricity Board (UEB) on 1st March 1991, transitioned to UETCL as a Principal Protection Engineer and rose through the ranks and recently to the position of the Ag. Chief Executive Officer, UETCL.

Eng. Matsiko will steer the Company's strategic direction in line with UETCL's new Corporate Strategic Plan 2025-2030 towards achieving the company's vision of being **Eastern Africa's Leading Electricity Transmission Company**.

The Board of Directors, Management and staff of UETCL congratulate Eng. Richard Matsiko upon his confirmation and wish him success in this role.
